

“...4-1/2 star rating for its challenging layout and well-protected greens.”

A FORMIDABLE CHALLENGE FOR EVEN THE MOST EXPERIENCED GOLFER

The Leatherstocking Golf Course’s natural contour sweeps along the western shore of Lake Otsego. With its deep sand bunkers, numerous water hazards and elevated fairways, the course ranks among the

most scenic and demanding in the Northeast. *“...an outstanding golf experience in a resort setting...”*

— Golf Digest.

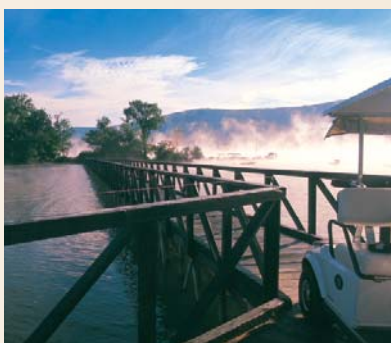

The par-4, 7th hole, considered the toughest on the course, plays 397-yards all uphill and often into the wind. The troublesome 9th is the most difficult par-3 on the course. Players can briefly relax once they reach the 12th hole, which plays

just 138-yards downhill. The 13th and 14th holes are short par-4s, and along with the 15th, a 457-yard par 5, they offer excellent birdie opportunities.

C HAMPIONSHIP FINISH

The Leatherstocking’s three finishing holes are the most exciting on the course. The par-4, 16th requires a precise tee shot, while the par-3, 17th hole requires a tee shot to carry over a wide Lake Otsego water hazard.

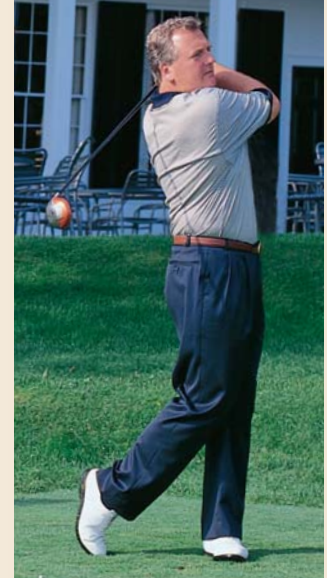

The grand finale of the course is the 18th hole- a 505-yard par 5, reminiscent of Pebble Beach - where the fairway sweeps to the left around Lake Otsego. Golfers tee off from our island tee, deciding how much of the Lake to ‘bite off’ to reach one of the finest finishing holes golf has to offer.

N ATURAL GRASS DRIVING RANGE AND MORE

The Leatherstocking Golf Course includes an 11-acre natural-grass practice facility and learning center, improved drainage system, and many

enlarged tee boxes and cart paths. The Otsego is committed to raising the course’s standards every year to meet the needs of a growing number of golfers, while continually maintaining the course’s historical integrity.

T HE PURSUIT OF SPORT AND LEISURE

In addition to golf, The Otsego offers a fitness center, tennis, a heated outdoor pool, lake swimming, canoeing and croquet on-premise. Fishing, fly-fishing and boating are also available.

Area attractions include the National Baseball Hall of Fame and Museum, The Farmers’ Museum, Fenimore Art Museum and the Glimmerglass Opera. Our Concierge is available to help you plan for any Cooperstown activities.

Golfers can enjoy lunch and snacks at the Leatherstocking Golf Shop Patio, which provides a breathtaking view of Lake Otsego. The well-stocked Golf Shop offers golf club rentals and supplies as well as the latest sports apparel fashions.
